NEED FOR SPEED LOGISTICS LLC

We don't just move cargo — we move your business forward.

Your Trusted Logistics Partner

Need For Speed Logistics LLC is a Dubai-based logistics and freight forwarding company providing end-to-end supply chain solutions for businesses of all sizes. Our services cover international freight, customs clearance, transportation, warehousing, door-to-door delivery and project logistics.

Our experienced team combines local UAE market knowledge with a global freight network to help customers move cargo safely, efficiently and with greater visibility throughout the supply chain.

Why Businesses Choose NFS

01	Global Freight Network International connections supporting shipments across major trade lanes.
02	UAE Customs Expertise Professional documentation, clearance and compliance support.
03	End-to-End Visibility Shipment coordination and tracking from origin through delivery.
04	Dedicated Support Responsive customer service and a single point of contact.
05	Flexible Solutions Scalable options for individual shipments and ongoing logistics programs.
06	Operational Reliability Focused on secure cargo handling, efficiency and on-time delivery.

Our Promise

Reliable, scalable and customer-focused logistics designed to simplify global trade, reduce operational complexity and keep your supply chain moving.

Integrated Logistics Services

A single logistics partner for air, ocean, road, customs, warehousing and complete door-to-door movement.

AIR FREIGHT

Fast international air cargo solutions for urgent, high-value and time-sensitive shipments.

- Express & priority air freight
- Airport-to-airport and door-to-door
- Import/export handling
- Consolidation and charter arrangements
- Tracking and customs support

OCEAN FREIGHT

Cost-effective FCL and LCL shipping across international trade routes.

- FCL & LCL
- Breakbulk and project cargo
- RoRo and refrigerated containers
- Import/export documentation
- Global port coverage

ROAD TRANSPORT

Domestic UAE and cross-border GCC transportation with route planning and cargo safety.

- Local UAE transport
- GCC cross-border trucking
- FTL & LTL
- Container and heavy-equipment transport
- Last-mile and scheduled distribution

CUSTOMS CLEARANCE

Professional import and export customs support designed to minimize delays and maintain compliance.

- Import/export clearance
- Documentation preparation
- HS code classification
- Duty and tax guidance
- Free Zone procedures and inspection coordination

WAREHOUSING & DISTRIBUTION

Secure storage and inventory support that improves product flow and distribution efficiency.

- Short- and long-term storage
- Inventory management
- Order fulfillment
- Pick & pack
- Cross-docking and cargo consolidation

DOOR-TO-DOOR LOGISTICS

Complete shipment management through one coordinated logistics partner.

- Supplier coordination
- Cargo pickup and freight booking
- Customs documentation
- International transportation
- Final delivery and tracking

Beyond Freight: Complete Supply Chain Support

For complex cargo and evolving business requirements, NFS Logistics combines transportation expertise with coordinated logistics planning.

Project Logistics

Specialized support for oversized, heavy-lift and high-value cargo, including industrial and infrastructure projects.

- Heavy-lift and oversized cargo transportation
- Industrial equipment movement
- Site logistics planning and route surveys
- Crane coordination and permit management
- Multi-modal transportation and risk assessment
- End-to-end project supervision

Supply Chain Solutions

Beyond transportation, we support businesses with practical supply chain services focused on efficiency, cost control and resilience.

- Freight planning and transportation management
- Vendor coordination and procurement logistics
- Inventory optimization and distribution planning
- Reverse logistics
- Performance reporting and cost optimization
- Logistics consultation

Industries We Serve

MANUFACTURING	OIL & GAS	CONSTRUCTION

A Simpler Way to Move Cargo

From supplier pickup to final delivery, our team coordinates the logistics journey around your shipment requirements.

STEP	ACTION	WHAT WE DO
01	PLAN	Understand cargo, origin, destination, timing and service requirements.
02	BOOK	Select the appropriate air, sea or road solution and coordinate capacity.
03	DOCUMENT	Prepare shipping and customs documentation with compliance in mind.
04	MOVE	Coordinate transport, handling, customs clearance and destination delivery.
05	TRACK	Maintain shipment visibility and provide updates throughout the journey.
06	DELIVER	Complete final delivery, confirmation and after-delivery support.

What You Can Expect

• One coordinated point of contact	• Flexible air, sea and road options
• UAE customs and documentation support	• Secure cargo handling
• Shipment tracking and visibility	• Competitive and transparent quotations
• Dedicated customer support	• Solutions that scale with your business

LET'S MOVE YOUR BUSINESS FORWARD.

Tell us what you need to move, where it is going and when it needs to arrive. Our logistics team can help you choose the right solution.
